The screenshot displays the Tableau software interface. At the top, there is a toolbar with various icons for navigation and editing. Below the toolbar, the 'Story' tab is selected in the left sidebar. The main view shows a treemap visualization of Mumbai districts. The districts are listed on the left: Noida, New Town, Thane West, Mira Road East, Rajarhat, and Kharghar. The treemap is color-coded by Vaastu Compliant score, ranging from 0 (dark red) to 6,849 (dark blue). The treemap shows a dense grid of small rectangles, with larger rectangles representing districts with higher Vaastu Compliant scores. The interface includes a top toolbar with various icons, a left sidebar with 'Story' and 'Layout' tabs, and a bottom pane with 'Data Source' and 'Story 1' tabs.
